A. Discussion Item: Ideas and Events for Spring Semester

B. Discussion Item: CalFresh Awareness Week Tabling

What questions should we ask the students

C. Discussion Item: Resource Highlight of the week / Resource Fair

How can we combine both concepts into one virtual resource fair? What kinds of prizes should we offer, and how should we structure the format to keep students engaged online?

D. Discussion Item: Resource Map

Better ways to showcase the resource map

E. Discussion Item: A.S History Exhibit

I also want to create a way to highlight A.S. history possibly through a display in the library. Let's think about additional interactive initiatives we could include, how we can showcase past milestones and leadership, and what format would make it engaging rather than just informational.
